Mission Statement

TherapyPets is an organization of volunteers and their pets who visit various facilities in order to enrich the lives of children and adults. Through this experience, we all become aware of the rewards of TherapyPets and encourage others to actively participate. Guidelines, training, and education for the owners and their pets are provided to ensure proper etiquette during visits. Our volunteer teams share the love that comes from the human-animal bond.

TherapyPets is a California Non-Profit Public Benefit Corporation with Federal 501(C)3 tax exempt status. Donations to TherapyPets may be tax exempt as the law allows. Donate at www.therypets.org
